

# Prince, My Love Is Forever

You're always on my mind  
Day and night, baby, all the time (all the time)  
You mean so much to me  
A love like ours just had to be  
You're the wind and the rain  
You've got a river that takes away my pain  
And the sky that's oh-so-blue  
You're everything girl, don't you know I need you (need you)  
U R the only thing that keeps me goin'  
U R the only thing that keeps my love alive  
U R the only thing that I'll ever need  
U don't have to worry, you see, my love is forever

Aw, sugar, I don't have to dream  
Cuz' you give me what I want  
Girl, you know what I need  
Forever until my love is through  
I...I will love you (love you)  
Oh, what does it take to make you see  
That you are the only one for me  
I'll never, never stop loving you  
I'll never, never stop wanting you  
I'll never, never get enough of you  
Love is forever

U R the only thing that keeps me goin'  
U R the only thing that keeps my love alive  
U R the only thing that I'll ever need  
U don't have to worry, my love is forever
