

# Prince, New Power Generation (Pt. II)

We r the new power generation)  
Don't pick my apples, don't pick my peaches  
(we r the new power generation)  
Leave my tree alone...leave it alone...leave it alone  
(we r the new power generation)  
Don't u look at me  
(we r the new power generation)  
If you're sad and u know it and u think u want to blow it  
Let your feelings out, love is there

Just go!

Kid! Yo Kid!  
I got ta do this, I got the noise, I got ta do this  
So pump the big noise, c'mon in the house...

This here rap's about the true confession  
If ya listen close u 'bout to learn a lesson  
U must know failure before success  
Now this is the failure I must confess (well...)  
I was hanging onto life trying deal with this  
Playing the games, almost got dismissed  
Cocaine was the thing that I took on  
And nowhere was the place that I was going (preacher, cmon on)  
I must tell the truth, I cannot lie  
I was headed 4 the kill, steal, destroy, and die  
Top 2 the bottom 2 bottom 2 top  
Success is where I'm headed there ain't no doubt  
Success is something that we all want  
But the truth is what we need to reach our point  
I had to give this message the so-called truth  
I hope it's somthing in it that's there 4 u  
{on top of:  
Love to the left of me, love to the right  
Come on make a noise, somebody  
Party tonight! (oh yeah!)}  
Like I told ya before, I'm a tell ya again  
Success is something that's deep within  
So remember the truth you cant go wrong  
The flesh is weak and the spirit is strong  
I know it to do this rap, and I know its right  
'cause I did it in the name of Jesus Christ  
(cmon somebody lets party tonite)  
Party tonight! (oh yeah!)

You want me 2 what?? (shake!)  
What? (shake! shake!)  
Awww, right

The New Power Generation has just taken control
