

# Prince, Northside

This is how we funk on the Northside

CHORUS:

This is how we funk on the Northside  
Players ain't gon' stop till it's sold  
This is how we funk on the Northside  
2 get paid in the Moneyapple, got 2 be bold

When U cop your paper next Friday  
This is what I want U all 2 do  
Nevermind the vapor come up my way  
We got something freaky 4 U

Never U mind what U find in the state of your mind  
Your city or part of town  
When U get up in the Moneyapple  
Baby U got 2 get down  
Down {x9}  
Hey hey hey hey!

CHORUS

(Oh)  
(This is how we funk)

When U get tired of the Muzak  
That's playin' on that no-funk radio (Uh)  
We gotta taste the bass that'll take your face 2 the Ace of Spades  
U never ever thought your ugly face would go  
Bass - tell ya one time

Never U cry when U buy a sample single  
From the NPG got joints 4 days  
Chart be gone we get it on stage, baby  
Aftershow's on the Internet, players gettin' paid!

Hey, this is how we funk  
Oh yeah  
Hey, this is how we funk  
(Hey) Everybody say

CHORUS

(Oh, oh)  
(How we funk)  
(How) {x3}

With a bone 2 play  
We can find the mayor  
Talk about that piece of land  
Fill a garden y'all  
Fill a fan with some hand picked images like the man  
Sweet potatoes like U never seen (Tell it)  
Martin wasn't the only one that had a dream  
Know what I mean? (Woo!)

CHORUS {x3}

(This is how we, this is how we funk)  
(We, we be...)  
(NPG, so funky it's good 2 me)  
(Northside) (Hey)

This is how we funk on the Northside {x2}  
Got 2 be bold (Got 2 be)

This is how we funk on the Northside {x5}
