

# Prince, One Kiss At The Time

Come here, baby  
Come and get your come on  
Oh, I see this is what u wanted  
One kiss at a time  
(I got 2 be) I got 2 be up on it  
If I want 2 make u mine

This is something every girl should know  
Every part of u comes alive when u take it slow  
And every nervous twitch that happens when my tongue is there  
Your lips, up and down your back and every single hair  
It all makes up the beauty of your grand design  
Every man has got a duty, and 2night I want 2 do mine

(oh, I see) oh, I see this is what u wanted  
One kiss at a time  
(I got 2 be) I got 2 be up on it, yeah  
If I want 2 make u mine

This is something every man should see  
Give your woman what she wants and give her what she needs  
(what she needs {x3})  
Ask her in a whisper that only 2 can hear  
What can I do, what can I say, baby? forget your every single fear  
Slowly I pull your strap down and touch u as if 2 heal (heal)  
Layer by layer, inch by inch, until your true love is revealed

Oh, I see, ooh, this is what u wanted, baby

One kiss at a time  
I got 2 be, I got 2 be up on it  
If I want 2 make u mine

If every man could love their woman the way that I love u  
Time would stop and the sky would fall  
And all could see the glory of what true love can bring  
That's what I sing  
Oh, I see

(oh, I see) mmm, this is what u wanted  
One kiss at a time  
I got 2 be on my knees, i.. i.. i.. I gotta please  
If I want 2 make u mine

Only, only, only way 2 get your come on, all night long  
One kiss at a time (and I know that's right)  
(I gotta stay) I gotta stay, (good and long) (now come on)  
On this valentine

Come on (come and get your come on)  
Get your come on, baby  
One kiss at a time  
Come on, baby, let's get this on  
One kiss at a time  
Uh huh, yeah  
One kiss at a time {x2}
