

# Prince, Power Fantastic

Late at night when the world's a-sleepin'  
U are frightened cuz the power's creepin'  
In your room, it's something U're afraid of  
Life of doom is what this feeling's made of

Power fantastic is in your life at last  
U're a little apprehensive  
Cuz what it is, is what U want and need

Minor G is the chord of pleasure  
It will be played 11 measures  
U will see fire, but U're cool as ice  
U are a liar, huh, if U say this isn't nice

Power fantastic is in your life at last  
U're a little apprehensive  
What it is, is what U want and need

Power, power

Power fantastic is in your life at last  
U're a wee bit apprehensive  
Cuz what it is, is what U want and need

Power, power  
A power fantastic
