

# Prince, Power Fantastic (Live)

Late at night when the world's a-sleepin'  
U are frightened cuz the power's creepin'  
In your room, it's something U're afraid of  
Life of doom is what this feeling's made of  
Power fantastic is in your life at last  
U're a little apprehensive  
Cuz what it is, is what U want and need  
Minor G is the chord of pleasure  
It will be played 11 measures  
U will see fire, but U're cool as ice  
U are a liar, huh, if U say this isn't nice  
Power fantastic is in your life at last  
U're a little apprehensive  
What it is, is what U want and need  
Power, power  
Power fantastic is in your life at last  
U're a wee bit apprehensive  
Cuz what it is, is what U want and need  
Power, power  
A power fantastic
