

Prince, Rock'n'roll Is Alive (And It Lives In Minneapolis)

Rock 'n' roll is alive(x3)

Rock 'n' roll is alive and it lives in Minneapolis(x2)

From all over the world

The people came

Even the president flies in to watch the thing called fame

Red, white and blue boy girls

Tonight everyone's the same

Some people say it's dying

But we don't want to play that game

Rock 'n' roll is alive and it lives in Minneapolis - sing

Rock 'n' roll is alive and it lives in Minneapolis

Rock 'n' roll is alive and it lives in Minneapolis - sing

Rock 'n' roll is alive and it lives in Minneapolis

Sure as the drive around

Lake of the Isles is cool I know

Rock 'n' roll will never die

Like the Minnehaha flow

Sure as the land of a thousand lakes

Is sometimes made of snow

There'll always be another king who got butt naked on the floor

Rock 'n' roll is alive and it lives in Minneapolis - sing

Rock 'n' roll is alive and it lives in Minneapolis

Rock, rock

Very impressive

Rock, rock

Impressive

Rock 'n' roll is alive and it lives in Minneapolis

Sing Dammit!

Rock, rock

Rock 'n' roll is alive

Rock 'n' roll is alive and it lives in Minneapolis(x4)

Rock 'n' roll is alive and it lives in Minneapolis(x4)
