

Prince, The Human Body

Go

Yeah, yeah, yeah, yeah, yeah! [x2]

Can U take me home

Where we can be alone?

Can U make me happy

Till my pain is gone?

Can U get me excited?

Excited enough 2 thank the God above 4 the human body

Yeah, yeah, yeah

4 the human body

Yeah, yeah, yeah

Can U get me excited

Till my love is long?

Can U let me ride it (Oh yeah)

Till the early morn'?

Can U freak me dirty?

Freak me till I thank the God above 4 the human body

Yeah, yeah, yeah

4 the human body

(Slave!) [x4]
