Turn it up, turn it up, baby
My signal's gettin' kinda weak
Turn it up, turn it up, baby
I know U got 2 be a freak, ooh
Turn it up, turn it up, baby
I'm still waiting by the knob
Turn it up, turn it up, baby
I'm ready 4 the heavy stuff, oh yeah

CHORUS:

Turn it up, turn it up, baby
Come and play with my controls
Turn it up, turn it up, baby
Work me like a radio (oh, oh)

Turn it up, turn it up, baby
Work it 'til I start 2 groove, ooh
Turn it up, turn it up, baby
I know U know what 2 do (Girl, U know what 2 do)
Turn it up, turn it up, baby
Work it 'til my clothes are wet
Turn it up, turn it up
I wanna drown in your body's sweat! (Oh yeah)
