

# Prince, When 2 R In Love

So fair she looked tonight,  
The brightest star appeals to your sex.  
Before we do anything,  
Let me just talk 2 U.

When 2 R in love  
They whisper secrets  
Only they 2 can hear  
When 2 R in love

When 2 R in love (love)  
Their stomachs will pound  
Every time the other comes near  
When 2 R in love

When 2 R in love  
Falling leaves will appear 2 them  
Like slow motion rain (slow motion, slow motion)

When 2 R in love  
The speed of their hips  
Can be faster than a runaway train

Drop, drop, drop, drop, water, water, water

Come bathe with me  
Let's drown each other in each others emotions  
Bathe with me  
Let's cover each other with perfume and lotion  
Bathe with me  
Let me touch your body 'til your river's an ocean  
Bathe with me  
Let's kiss with one synonymous notion  
That nothing's forbidden and nothing's taboo  
When the 2 R in love  
L.o.v.e. - I.o.v. - can U hear me?

When 2 R in love  
Their bodies shiver at the mere contemplation  
Of penetration (let alone the act)  
Let alone the actual act

When 2 R in love  
The thought of his tongue in the V of her love  
In his mind, this thought it leads the pack

Come bathe with me  
Let's drown each other in each others emotions  
Bathe with me  
Let's cover each other with perfume and lotion  
Bathe with me  
Let me touch your body 'til your river's an ocean  
Bathe with me  
Let's kiss with one synonymous notion  
That nothing's forbidden and nothing's taboo  
When the 2 R in love  
(Love) in love - can U hear me?

(hold me)  
(yeah)  
(just like that)  
(don't move)
