

# Prince, Your Love Is So Hard

Date line: 1989

I thought I was your lover wild  
But U treat me like a step-child  
I waited by the telephone  
I knew U weren't alone  
U wait until it's Friday night  
And U call me up and start a fight  
Say U and me ain't workin' out  
But U'll be free on Sunday, what's this all about?

I don't know, baby, who U think I am  
I'm not your average every day simple Sam  
I could have a dozen others if I choose  
But no other mama will do  
Your love is so hard  
Your love, your love is so hard  
Baby, I like it

I thought we were the perfect match  
U were so fine, such a catch  
Nights were nasty, days were hot  
I gave it all and in return, dogged is what I got

I don't know, baby, who U think I am  
I'm not your average every day simple Sam  
I could have a dozen others if I choose  
But no other mama will do  
Your love is so hard  
Your love, your love is so hard  
Baby, I like it

Come here baby, it's time  
Hey girl, U've been hurt before  
Gimme a chance, don't slam the door  
Brown lover, funky M  
I come 2 play, not 2 swim  
OK, roll over

(1989)

Don't be so hard  
Sugar, U'd be missin' everything in life  
Don't be so hard  
Ooh baby, maybe U could be my wife  
Now say it again... uh, hard

I don't know, baby, who U think I am (Believe me, U be)  
I'm not your average everyday simple Sam (Uh, ooh, hard)  
I could have a dozen others if I choose (Ooh baby)  
No other mama will do  
Your love is so hard  
Your love, your love is so hard  
Baby, I like it

(I don't, I don't know)  
It's time U get enough  
It's time U get, it's time U get, time U get, time U get enough  
And U'll be beggin' &quot;Please, don't be so hard&quot;
