I'm a bad babysitter  
Got my boyfriend in your shower, Woo!

Babysitting sucks  
but whatever  
they got junk food, kung fu, egg fu, Dig Dug, a dog too  
And a hot Jew, Mr. Weintraub  
I mean he's old but not dimed out  
If I'm bad I'll turn around in the corner for Time Out  
Aight Josh what you wanna do?  
You wanna watch cartoons?  
HBO got Platoon, hey get back in the room!  
I assume your folks are gonna be out late  
go make me Kool Aid  
I'm a sit on the couch and masturbate  
then call my boyfriend  
Gabe and see if he ate  
Spit out my Bubbalicious  
and get to one of them big fridges  
that could fit 10 midgets  
Damn they're rich  
Hey she left me fifty dishes-bitch!  
Let's try on ya mom's minks  
think she'll miss these Chanel links?  
In high heels you look like Jar Jar Binks  
Go play under the sink  
(I want my mommy and daddy!)  
I want your daddy as well  
But if you tell, you'll die of sickle cell and God told me  
you're goin straight to hell  
Well if you don't like it  
I can leave and then you'll be alone  
believe me  
that's what the creepy monsters want  
Plus I'll be taking your TV  
Put on your jammers and don't wet the bed  
I got a camera  
I'll take a picture  
and show that little girl you like sarah  
Oh and one more thing  
there's been several mass murderers spotted in the area

Let's make Fluffernutters  
don't fuckin utter another peep  
I'll take the cookie cutter  
make star cookies outta ya skin while you sleep  
Keep still  
I gotta check the bathroom cabinet  
Hey what are these pills?  
I'll take the Valium Josh  
you take a bag and the Tagament  
Stop throwin up  
I'm not paid enough  
you clean up the rug  
Is that Fluff?  
I told you 6 boxes of unmade Jell-O was too much  
All right kid  
you gotta go to bed  
I know its only 6  
but my boy just came over  
and he wants me to give him head  
Sit his bare ass on the couch  
where you watch Small Wonder  
Next time you see Vicky  
the spot'll be sticky  
cuz I sucked his dicky  
and used your mom's cucumber  
Don't worry  
I'll put it back in the Frigidaire  
Scared?  
You can have it for supper  
nice and crisp in the Tupperware  
No bedtime story  
Gabe get off you're so horny!  
Josh get in bed  
and Freddie Krueger might let you see your mom in the mornin  
No porn  
and shut the shade Gabe  
One day you'll know how nice it is to get laid while you gettin paid
