

# Princess Superstar, I'm White

(Kirschner)

by Princess Superstar O95 ps I love you, BMI

I'm white and I'm from Pennsylvania  
I don't have no gold and I don't have a pager  
Where I'm from there wasn't no scene  
I got my information from Highlights Magazine

I drove a jeep that my parents bought me  
Drove it over 60 but the cops never caught me  
Wore clothes from the Gap watched the Dukes and Daisy  
And when I got nasty shoplifted at Macy's

Sneakin boys up to my room  
Hoppin skippin jumpin like those kids in zoom  
But I brought home the 4.0 for my daddy Sam  
And I used my fake ID to buy beer from the Busch Can
