So this what I'm gonna do to you at home  
Get goin' with the mastercard  
Max it hard in the backs of cars

Hey I don't mean to brag but I'm makin' ladies mad  
When they look at what I have, all the shit in my bag  
Runnin' things like a track, no patience  
Got you starvin' for me like a Hollywood actress  
So attractive, wear my dresses backless  
Flippin' lots of heavy words like a mattress

Make money during napses, leg hair waxes  
Use hundred dollar bills, got a million pairs of underwear  
Millionaire times my strands of hair  
It's all there, bull or bear, I don't know and I don't care  
It ain't fair, it's the Superstar, make 'em stop and stare  
Runnin' scared, kiss my derriere, on my mirrored chair  
(Yo, why you got a mirrored chair)  
You can see my ass much better there, to kiss it, kiss it
