

# Princess Superstar, Smooth

(Kirschner/Pressman)

by Princess Superstar O95 ps I love you, BMI

You know we were eatin' dinner at the Red Lobster the other night  
and as I looked across the table and into your eyes  
I thought to myself, damn you're smooth  
so fine...

A smooth-assed baby up and asked me for a date  
wear a fancy dress and yo don't be late  
he said I'll pick you up baby in my black Mercedes  
he was so damn fly I knew he pulled all the ladies

It was a classy place yeah it was the Red Lobster  
eatin' some shrimp then he told me he's a mobster  
took of the pinkie ring and he put it in my hand  
sayin' now you are my lady, I'm your man

You were wearin' one of those fine Italian suits  
and in your lapel you had a handkerchief  
and I noticed that it was embroidered  
and I really like that

I was kinda scared but a little excited  
pulled out the AK and I wanted to ride it  
finished our corn, went out to do a job  
this fine smooth man got me working for the mob

We started plannin' a jewelry heist  
and I'm thinking to myself that this man is nice  
diamonds and fur yeah he's got all the moves  
well he may be bad but he sure is smooth!
