

Priscilla Ahn, Wallflower

Do you see me standing there in the corner
I was alone, I always am at these big parties
Watching you, watching everybody
Wishing I was more outgoing
Wishing I was dressed up pretty
Wallflower, I'm not here, no one sees me
Wallflower, I'm by myself, please excuse me
But there you were
Standing in your own corner
Your eyes were wide
Tired, fading, just like mine
We could be the best of friends
I'm sure of it
But I'm too shy to
Cross this crowded room
Besides
Wallflower, I'm not here, no one sees me
Wallflower, I'm by myself, please excuse me
Help me leave this corner of the room
I'm reaching out to you
Cause I've got things
I could talk to you about
And we could be
Wallflower friends 'til the end
Wallflower friends 'til the end
I'm sure of it
Wallflowers, we're not here, no one sees us
Wallflowers, we're together, please excuse us
