

# Private, We Got Some Breaking Up To Do

Once upon a time  
Someone introduced me to  
The kind of girl i wish i never knew  
And now our time is overdue

We got some breaking up to do  
Do you really want me?  
Or am i just another lover?  
It's not the time for me and you  
Do you really want me?  
And can you do without my loving?  
We got some breaking up to do  
Or am i just another lover?  
It's not the time for me and you  
We got some breaking up to do

And then a couple of days ago  
Someone told me stories that  
You had been wasting all my precious time  
And now i'll have to leave it all behind

We got some breaking up to do  
Do you really want me?  
Or am i just another lover?  
It's not the time for me and you  
Do you really want me?  
And can you do without my loving?  
We got some breaking up to do  
Or am i just another lover?  
We got some breaking up to do

I could use another lover
