If you believe the western sun
is falling down on everyone.
If you break it free and the morning's come.
If you would now your time has come.
If you believe the western sun
is falling down on everyone.
And you feel it burn
Don't try to run
And you feel it burn
Your time has come
And I feel it...
You feel another energy and I feel a power growing
You feel another energy and I feel a power glow
You feel another energy and I feel a power glow
If you believe the western sun
is falling down on everyone.
If you break it free and the morning's come.
If you would now your time has come.
If you believe the western sun
is falling down on everyone.
And you feel it burn
Don't try to run
And you feel it burn
Your time has come
I feel it!
You feel another energy and I feel a power growing
You feel another energy and I feel a power glow
You feel another energy and I feel a power glow
