Break it down low  
Wanna act up, then kick it with a pro  
I'm sick of being cautious, got me nauseous  
I need a safe space for me to get toxic  
Go crazy  
I'm feeling sexy right now, oh baby  
Party with a Betty, old lady  
I'm just feeling good, buddy, don't hate me  
Oh no assemble the ratchets, let's go hit the road  
Pockets new money they 'bout to explode  
I'm banning Karen's, only barbarians  
Smoking and staring at my funeral  
With optional clothes, shut the fuck up bro they not gonna know  
Hakuna matata bro stop being so scared  
You know I got bail money

Dah dah dah dah dah dah do that dance  
Ooooo god damn, who that man?

Cheeks all kissed up, lipstick from a misfit in a hot tub  
Spicy with the drip got the hot sauce  
Ima show off Ima hot dog  
Got to heat check when the shot's hot  
Put the music on the street make the block hot  
Karate in the garage  
I'm probably with all the dogs  
I'm partying like a boss  
I'm starting a renaissance  
A naked woman in socks  
She begging for a menage  
I'm partying like a boss  
I'm partying like a  
It's impossible these days to ever know the truth  
So 100 dollars to whoever fucking can catch and hold a goose  
All I'm saying is I need a place where I can get loose, bitch, loose
