

Professional Murder Music, Still Remains

our bed we live, our bed we sleep
making love and I become you
flesh is warm with naked feet
stabbing thorns and you become me
oh, I'd beg for you. Oh, you know I'll beg for you.
she holds my hand we share a laugh,
slipping orange blossom breezes
love is still and sweat remains
a cherished gift unselfish feeling...
oh, I'd beg for you. Oh, you know I'll beg for you.
she tells me things, I listen well
drink the wine and save the water
skin is smooth, I steal a glance
dragon flies "er" gliding over...
oh, I'll beg for you. Oh, you know I'll beg for you.

pick a song and sing a yellow nectarine
take a bath, I'll drink the water that you leave
if you should die before me
ask if you can bring a friend
pick a flower, hold your breath
and drift away...
