

Project Pat, Don't Call Me No Mo Remix

[Intro:]

Hypnotize Minds, Project Pat, the #1 ringtone!
It's goin' down!

[Pat:]

Don't call me no more, and don't text me no more
Project Pat featuring Three 6 Mafia - it's goin' down
North North (Memphis), you know what time it is!

[Chorus: x2]

[ladies:]

Don't call me no mo' and don't text me no mo'

[Pat:]

Don't call me no mo' and don't text ME no mo'

[ladies:]

Don't call me no mo' and don't text me no mo'

[together:]

Cuz I'm through with ya! Cuz I'm through with ya!

[Pat:]

Don't call me no mo' and don't text ME no mo'
I ain't discussin nuthin', you can go on hit the door
Get up out of my ride, I forgot you aw forget ya
Let the chevy door hit ya where the good Lord split ya

I ain't with that instant messagin', callin' and textin'
Saw me on them 30s downtown, Hummer flexin'
These broads that be beggin', ice around my neck and
A hood nig*a hustlin' gonna get my respectin'

There ain't no acceptin yo calls, so ya see your daddy
Yo moms, yo aunt, greasy greasy grand mammy
Like a Johnny Cochran team to try to plead your case,
Heard ya in the background hung up in they face

[Chorus x2:]

[ladies:]

Don't call me no mo' and don't text me no mo'

[Pat:]

Don't call me no mo' and don't text ME no mo'

[ladies:]

Don't call me no mo' and don't text me no mo'

[together:]

Cuz I'm through with ya! Cuz I'm through with ya!

[Pat:]

What you textin' me for, 4AM in the night
And you knowin' that we through, need some wood in yo life?
Don't be booty callin' me, you can keep yo legs closed
Never get this thang again, or yo co*chie'll throw

Used to be a glamour queen cuz I kept you with some money
I done cut yo water off, now you like a dust bunny
Hoody Hoody hood rat, nuck yo booty real fat
I'm in love with a stripper, let me hit it from the back

Like this girl Lil' Red, stood me up on some head
She come callin' me now, found out I got that bread
Little girls that be scared, go to church and hit the door
Don't call me no mo' and don't text... (wind down)

[Chorus x2:]

[ladies:]

Don't call me no mo' and don't text me no mo'

[Pat:]
Don't call me no mo' and don't text ME no mo'
[ladies:]
Don't call me no mo' and don't text me no mo'
[together:]
Cuz I'm through with ya! Cuz I'm through with ya!
