

# Project X, Straight Edge Revenge

I'm as straight as the line that you sniff up your nose  
I'm as hard as the booze that you swill down your throat  
I'm as bad as the shit you breath into your lungs  
And I'll fuck you up as fast as the pill on your tongue

STRAIGHT EDGE REVENGE (X2)

This time you pushed me too far!

I'm as straight as the line that you sniff up your nose  
I'm as hard as the booze that you swill down your throat  
I'm as bad as the shit you breath into your lungs  
And I'll fuck you up as fast as the pill on your tongue
