

# Projet Orange, If You Leave

I say hello to you, my friend  
I'm not the one you think I am  
You know I'm 16 and a half this year  
I could grow up, go insane

They say they're happy  
I'm out of their life  
And I agree  
My enemy is me in me  
But we could share

Now in pieces as you are  
Couldn't formalize  
At least you understand  
When I say

Hey, relax  
Just give into my plans  
Say stand, give up  
And get into catastrophe  
Say stand

I say I'm losing  
I say I'm losing

Your beautiful arms soaring  
Is my grief worth nothing?  
I get used to living so proud...

Always relax  
Just give into my plans  
Say stand, give up  
And get into catastrophe  
Say stand

I'm losing quick at something  
I stay but leave you in  
They're alive, but I'm not in it  
Say

The season's ending  
Now  
The season's ending  
Deep  
The season's ending  
Deep Inside
