

Projet Orange, Megaphobe

In the sand, in the sun you can turn around
and then we will come undone
I can't feel you
unreal- real I'm really scared

I can't talk to anyone
In the camera eye
You're such a phenomenon
I can't deal
unreal- real I'm really scared

Enemy of myself
Don't believe in you
Telling me what you think, don't believe you know what's right

Megaphobe
That's what I said
Megaphobe
Get it in your head

Censored in my savoir faire
I've gone on too long without any solid air
You're unfair, so unfair
Voyeur, voyeur
You stare

It's everything you wanted
So why are you still haunted ?

Enemy of myself
Don't believe in you
Telling me what you think, don't believe you know what's right

Megaphobe
That's what I said
Megaphobe
Get it in your head

Megaphobe
That's what I said
Megaphobe
Get it in your head
Head, Head, head.
