

Prong, All Knowing Force

Nothing f**king worked no matter how hard I tried
wanted all to be perfect, wanted it to be right

all knowing force
what is this worth?
all knowing
forced to believe in
all knowing force
a time for growth
all knowing
forced to believe in

I relinquish it all tapping into the signs
now i've been let down disappointment at a height
absorb the energy taking in the vibe
doesn't need to be perfect
expect to be right

nothing f**king worked how hard I tried
wanted it to be perfect
expect to be right
