## Prong, All Knowing Force

Nothing f\*\*king worked no matter how hard I tried wanted all to be perfect, wanted it to be right

all knowing force what is this worth? all knowing forced to believe in all knowing force a time for growth all knowing forced to believe in

I relinquish it all tapping into the signs now i've been let down disappointment at a height absorb the energy taking in the vibe doesn't need to be perfect expect to be right

nothing f\*\*king worked how hard I tried wanted it to be perfect expect to be right
