

# Prong, In My Veins

Gallon Of Gasoline  
In My Veins  
Gallon Of Gasoline  
The Hands Went Numb  
Bleeding, Coughing  
In A Room Three Fee Deep  
Hot As A Iron  
Burning Holes In My Feet

Holes In My Knees

It's In Your Blood  
It's In Your Skin  
It's In Your Head  
Tear It Down And  
Start Again

It's Only Good  
When The Needles  
In The Vein

Tear It Down  
Tear It Down  
Tear It Down  
Start Again
