

# Prong, Prove You Wrong

Diggin' for answers you fall in a hole  
Lessons of nonsense shall cast the first stone  
Pontifical preachings past now quick to forget 'em  
I'm depending on no one I distrust and oppose

Prove you, prove you wrong  
You can bet on it, I'll prove you wrong  
Prove you, prove you wrong  
Depend on it, I'll prove you wrong

Quest for solutions  
You ain't gonna get one here  
Why waste my breath upon the ears of the deaf man  
Skeptic acceptance caution  
Fraudulent cause  
Dependence on no one best distrust and oppose
