

# Prong, The Descent

All the lies  
Can't understand  
Can't be free  
Out of reach

Forgot to say  
Forget to know  
Forget to see  
Forgot you now

Only the beginning  
Start of the descent  
Only the beginning  
Beginning of the end

Forgot to say  
Forget to know  
Forget to see  
Forget you now

I can't hide  
Cannot remain  
Can't be seen  
Out of reach

Only the beginning  
Start of the descent  
Only the beginning  
Beginning of the end

Descent into dissent  
There is no hope  
The lives have fallen  
Descent into dissent  
There is no hope  
A world now barren

All the lies  
Can't understand  
Can't be free  
Out of reach

Forgot to say  
Forget to know  
Forget to see  
Forgot you now

Only the beginning  
Only the beginning  
Only the beginning  
Beginning of the end
