I hid inside my room like a f\*\*king coward  
And the past 18 months flashed before me in the last eight long hours.  
A little less than amazing: you finally got a rise out of me.  
So I laughed, I cried (well, I tried, but I laughed again).  
See? who the f\*\*k needs a caricature to be their friend?  
It's so f\*\*king stupid.

I'm just as scared and insecure as you (maybe even x2)  
And I wonder what you really thought of me.  
An intimate friend? a loud-mouthed jerk? or just a novelty?  
(and, hey, do you think I could sing this a little more out of key? )  
This is not an apology. it's just therapy.  
Because as we all know (and apparently), I don't need anybody.
