

# Propellerheads, History Repeating

The word is about, there's something evolving,  
whatever may come, the world keeps revolving  
They say the next big thing is here,  
that the revolution's near,  
but to me it seems quite clear  
that it's all just a little bit of history repeating

The newspapers shout a new style is growing,  
but it don't know if it's coming or going,  
there is fashion, there is fad  
some is good, some is bad  
and the joke is rather sad,  
that its all just a little bit of history repeating

- and I've seen it before
- and I'll see it again
- yes I've seen it before
- just little bits of history repeating

Some people don't dance, if they don't know who's singing,  
why ask your head, it's your hips that are swinging  
life's for us to enjoy  
woman, man, girl and boy,  
feel the pain, feel the joy  
aside set the little bits of history repeating

- just little bits of history repeating
- and I've seen it before
- and I'll see it again
- yes I've seen it before
- just little bits of history repeating
