

# Prussian Blue, Changes

What do you think of me  
Now that you know who I am  
What do you think of me  
What do you think of that plan  
That we had for so long  
Why did it have to change

(Chorus)  
I'm still the same  
your the one whose changed  
I'm still the same  
Your rearranged

How is it so hard to forget  
What people say  
When they say it face to face  
I can't change the truth  
You can't change the truth  
I'm all I'll ever be

(Chorus)  
You just wish that you could change time  
But now you can't  
When everyone laughed at me  
Oh you laughed at me too  
(Chorus)
