

Prussian Blue, Hey, Hey

Hey Hey
Every day,
See you at school,
What can I say,
You, You You seem so cool,
You glance at me and I turn a fool.
My, My By and by,
Tell me your name, And don't be shy.
Oh, oh What do you know,
You like me too,
And you let it show.
In between class,
I see you,
Walking out of math.
Will you sit beside me,
at lunch time, Should I ask?
Will my face turn red,
And will I forget what to say,
Will I stutter,
Or will I just look down,
As you walk by?
See, see
You look at me,
I look away,
Oh great oh gee.
Now, now
I don't know how,
We're face to face,
oh great oh wow!
