

# Psychostick, Indecision

-\*sigh\* Hey guys, ok seriously, we gotta come up with an album title here.

-I got one, I got one, how about, The Flesh Eating Rollerskate

-Hahahaha, oh man. No, no.

-Well what about, I Am Staring....At YOU

-No, just, I Am Staring

-No no no no no no no, here you go, If You Add Water, Nothing Will Happen!  
(giggle)  
Get it?

-How about we call it, I'm Going To Kill You Guys!

-Sorry man. That's not very funny.

-Well it's hard to be funny when Robbie's over here playing with himself!
