Psychostick, Pluh

One, two, three, four, five, six Seven I dunno

Here we go

Tearin' down the road doin' ninety in my tiny little Volkswagen on my way to get a tank of gas I pas

I saw the red and blue in my rear view So I pulled slug bug over to the shoulder of the road He look

(in the background) "Uhhh....What'd you say?" Stupid..Guy, I SAID PLUH!

Walkin' down the streets in my running shoes lookin' for a shoestore So that I can find myself parki

He said something in Latin that I didn't understand And I thought the worst until he pointed at my w

Then I saw that all he wanted was the time So I looked at the broken watch, and I said: --"Plu

"What the, get that wicky-wack shit out of our music!"

"This is heavy" "Yep"

If there ever was a word that you heard SO ABSURD It could take the place of ANYTHING that you

Noun, verb, adverb, statement, question, Daytime, night-time, anytime, anyone!

So remember the next time you forget What you're sayin' in the middle of a sentence- Don't strain y

(in background) "Oh I get it!"

"Yeah, now you know" "I SAID PLUH!"

* belch*

"Yeah, beat that"

"Pluh, Pluh, Pluh, Pluh, Pluh, Pluh, Pluh, Pluh, Pluh, Pluh, Pluh, Pluh, Pluh, Pluh, Pluh, Pluh,

"Yes i said PLUH, PLUH, Pluh!"

(Sounds like growling "satan")
