

Psycore, Be a Baby

...sometimes

everything
is boring
give me a break
let me play

have you seen the rainbow today
all the colours faded away
set me free from reality
be a baby, maybe

become the bureaucrat
fill out the form
forget what you've got
follow the norm

i can still remember the heat
don't want to get used to defeat
that is why i vote for retreat

be a baby, maybe
maybe be a baby
tiny, pink and carefree
be a baby, maybe
