

Public Enemy, So Whatcha Gonna Do Now?

Talkin dat drive by shit
Everybody talkin dat gangsta shit

Talkin dat drive by thang
Everybody talking dat gangsta swang

Slaves to the rhythm of the master
Buck boom buck another
Neighborhood disaster
(Drummer hit me one)

A gun is a gun is
A mother fuckin gun
But an organized side
Keep a sellout nigga on the run

What you gonna do to get paid
Step on the rest of the hood
Till the drug raid

See you runnin like roaches
Black gangstas need track coaches

The white law set you up raw
When you have his trust in killin us

Talkin dat gattalk
Walkin dat catwalk
Where you tryin to go wit dat
Don't even go dere wit dat rap
Guns drugs an money
All you know how
So whatcha gonna do now?

I'm bout ready to bounce

Trouble on the corner of Blunt Ave.
An 40 ounce

Mad uncivilized lifestyles
30 years bids for kids, now that's wild

I'm raisin my child
I'm steppin to da curb
Wit a sign do not disturb

Too much don't give a fuck
Or a damn thing
But choose what the other man bring

I sing a song cause I see wrong

I'm not down with the fe fi fo
Where I come from
See, the brothers ain't dumb

Sense goes over nonsense
When it makes no sense
I'm throwin up da fence

Talkin dat drive by shit
Everybody talkin dat gangsta shit
Talkin dat drive by thang
Everybody talkin dat gangsta swang

Talkin dat gattalk
Walkin dat catwalk
Were you tryin to go wit dat
Dont even go there wit dat rap
Guns, drugs and money
All you know how
So whatcha gone do now?

The only good nigga is a dead nigga

Dat's what they used to say

Can't understand why a man
Gotta use a trigga
On his own, suppose to act grown

Cracka in da back
Watch a brother pull a trigga on another brother

Couldn't shoot and shot a mother

Four kids alone home
Ungrown and now they on they own
Now check yourself cool
What good is da hood if ya actin a fool
Talkin dat gattalk, walkin dat catwalk
