

Public Image Limited, Another Way

I-I've got to find another way (repeat).
Put it down to no one else
Yes I-I've got to find another way.
One Upmanship is a game you play.
Competition is a game you say.
Well rules and rules
and rules are for fools.
This gravy train led by mules.
Get taht old stuff out of my head.
A chip on the shoulder, feels like lead.
And everyone has their say,
But I, but I, I gotta find another way.
