

# Public Image Limited, Like That

Talk talk talk talk talk

## CHORUS

Like that, she did not like that  
She did not like that - she never will  
Like that, she did not like that  
She did not like that - she never will  
Just like a woman  
Bad boy you should not do that  
You penny pincher from rags to riches  
And it's a pity so inexpertly  
You mixed your roses with your cabbages

## CHORUS

Like that. She does not like that  
Like that. She did not like that  
Just like a woman. And every man  
In human nature these snakes and ladders  
The fairground noises are messages  
Life would be dull and boring  
Without the choices of passages  
Just like those dancing dervish  
We spin in circles we strike up poses

## CHORUS

Just like a woman, and every man  
Combine those dreams and wishes  
On standard clauses and marriages
