

Public Image Limited, The Pardon

I think you need me now.
I'm from chapter to chapter.
I'll never let go.
I have an appetite.
Follow the rules of life.
Never the same thing twice.
(repeat)
Admire the scenery.
It's where I left it last.
This room now has a view.
It's nearly night at last.
The ceiling seal of ice.
The walls and windows have your eyes.
Almost a honeymoon.
I feel clean inside.
This body beautiful. (x4)
