Falling in our hearts Here again, Hawaii We're here, you and me

Aloha (aloha), well hello there Aloha, Hawaii (hawaii) Aloha, well hello there Hawaii

All journeys end Some begin again We're here, you and me Hawaii (hawaii), remember me I remember you, Hawaii (hawaii) Hawaii (hawaii), remember me I remember you, Hawaii

Don't fly too soon No need to cry, in pain You are loved Again again Hawaii You and me All those good times

Aloha (aloha)
Well hello there
Aloha Hawaii (hawaii)
You are loved
Hawaii
Remember me, I remember you
Hawaii, Hawaii
Remember me, I remember you
Aloha (aloha)
Hawaii
