Seeing in your eyes  
Words can never say the way  
Told me in your eyes  
Final in a fade  
Seeing in your eyes  
Seeing in your eyes  
Never really know  
Never realise  
Silence in your eyes  
Silence in your eyes  
Never really know  
Til its gone away  
Never realise  
The silence in your eyes  
Seen it in your eyes  
Seen it in your eyes  
Never no more hope away  
Final in a fade  
Watch her slowly die  
Sw it in her eyes  
Chocking on a bed  
Flowers rotting dead  
Seen it in your eyes  
Ending in a day  
Selence was a away  
Seeing in your eyes (3x)  
I&#039;m seeing through my eyes
