

# Puddle Of Mudd, Blurry

Everything's so blurry  
and everyone's so fake  
and everybody's empty  
and everything is so messed up  
pre-occupied without you  
I cannot live at all  
My whole world surrounds you  
I stumble then I crawl

You could be my someone  
you could be my scene  
you know that i'll protect you  
from all of the obscene  
I wonder what you're doing  
imagine where you are  
there's oceans in between us  
but that's not very far

Can you take it all away  
can you take it all away  
well ya shoved it in my face  
this pain you gave to me  
Can you take it all away  
can you take it all away  
well ya shoved it in my face

Everyone is changing  
there's no one left that's real  
to make up your own ending  
and let me know just how you feel  
cause I am lost without you  
I cannot live at all  
my whole world surrounds you  
I stumble then I crawl

You could be my someone  
you could be my scene  
you know that i will save you  
from all of the unclean  
I wonder what you're doing  
I wonder where you are  
There's oceans in between us  
but that's not very far

[Chorus]

Nobody told me what you thought  
nobody told me what to say  
everyone showed you where to turn  
told you when to runaway  
nobody told you where to hide  
nobody told you what to say  
everyone showed you where to turn  
showed you when to runaway

[Chorus]

This pain you gave to me

You take it all  
You take it all away...  
This pain you gave to me  
You take it all away  
This pain you gave to me

Take it all away  
This pain you gave to me
