Puddle Of Mudd, Freak Of The World

Dont want the sun to shine upon my face And i see your eyes and their glazy haze Your lips dont move But i hear what you're saying I look outside through the razor blades

And i crawl and i scrape and i feel for you But there's nothing There's nothing that i can do Im a freak Im the freak of the world Im a freak Freak of the world

Stars are shining oh so bright And i dont think everything's alright And i can't wake up Cuz i dream all night Yeah you're in my way And i can't get bye

And i beg and i cheat and i steal for you But there's nothing There's nothing that i can do Im a freak Im the freak of the world Im the freak of the world Im the freak of the world And there's nothing i can say And there's nothing i can say or do

Dont want the sun to shine upon my face
And i see your eyes and their glazy haze
Your lips dont move but i hear what you're saying
I look out side through the razor blades
And i try
(through the razor blades)
And i scream
(through the razor blades)
I can see your face

Im the freak of the world
Im the freak of the world
Im the freak of the world
And there is nothing i can say
And there is nothing you can do
And there is nothing i can say or do
Caz im the freak of the world
Im a freak
Of the world
