

# Puddle Of Mudd, Heel Over Head

Don't you walk out that door  
Don't even pet the dog on the floor  
Just take your things in the yard  
And throw your keys anywhere  
After all the things I've done for you  
Year after year after burnin' year  
And I'm sorry for wastin all your time  
And I'm sorry for losin' all my life  
And I think that I'm lost and hard to find  
But I fell like im livin' a darkness lie

[Chorus]  
Heel over head  
Jet black skies is painted white again  
I'm heel over head  
Leave my eyes in the clouds again  
You don't see me at all  
You don't see me at all  
You don't see me at all  
You don't see me  
Don't you walk away from me  
I'm givin' up everything  
But i think that I'm rippin' a part at the seams  
And I'm findin it hard, hard to believe  
And i feel like I'm livin' inside a dream  
And no one believes  
And no one sees  
That I'm sorry for wastin all your time  
And I'm sorry for loosin' on the line

[Chorus]  
Or hear me  
Or touch me  
Or bring me  
Or think that I'm rippin' a part at the seams  
You don't see me at all  
You don't see me at all  
You don't feel me or touch me  
I'm sorry, and I'm sorry for wastin'  
I'm sorry, and I'm sorry for wastin'  
I'm sorry, and I'm sorry you don't See me  
Hear me  
Touch me  
Bring me  
Think that I'm rippin' a part at the seams  
You don't see me  
Hear me  
Touch me  
Bring me  
Think that I'm rippin' a part at the seams  
You don't see me at all  
You don't see me at all  
You don't see me at all  
You don't see me or hear me
