

Puddle Of Mudd, Never Change

Someone's always tellin me i'm no good
well I don't care what you say
someone's always giving me a hard time
well I live day to day
someone's always puttin me in my place
like I don't know where I am
so I'll just sit here in the corner
without any direction

Maybe it's all in my head
i think that it's something something you said
I understand that somethings will never change never change

Someone's always kickin me to the curb
well it's grindin up my face
someone's always pushin me to the side
like I'm standing in the way
someone's always gettin up my face
like I don't know who I am
So once again I'm in the corner
without any direction

[Chorus]
Somebody's always out to get me
somebody's always tryin to kill me
understand somethings will never change
couldn't you have just stayed the same
why did you have to go insane
understand somethings don't change

Why did you have to go and change
couldn't you have just stayed the same
why did you have to go insane
understand somethings don't change

Never change
somethings never change
somethings never change
