

# Puff Daddy, I'll Be Missing You

(feat. 112, Faith Evans)

[Intro: Puff Daddy]

Every day I wake up  
I hope I'm dreamin  
I can't believe this shit  
Can't believe you ain't here  
Sometimes it's just hard for a nigga to wake up  
It's hard to just keep goin  
It's like I feel empty inside without you bein here  
I would do anything man, to bring you back  
I'd give all this shit, shit the whole knot  
I saw your son today  
He look just like you  
You was the greatest  
You'll always be the greatest  
I miss you Big  
Can't wait til that day, when I see your face again  
I can't wait til that day, when I see your face again...

Yeah... this right here (tell me why)  
Goes out, to everyone, that has lost someone  
That they truly loved (c'mon, check it out)

[Verse One: Puff Daddy]

Seems like yesterday we used to rock the show  
I laced the track, you locked the flow  
So far from hangin on the block for dough  
Notorious, they got to know that  
Life ain't always what it seem to be (uh-uh)  
Words can't express what you mean to me  
Even though you're gone, we still a team  
Through your family, I'll fulfill your dream (that's right)  
In the future, can't wait to see  
If you open up the gates for me  
Reminisce some time, the night they took my friend (uh-huh)  
Try to black it out, but it plays again  
When it's real, feelings hard to conceal  
Can't imagine all the pain I feel  
Give anything to hear half your breath (half your breath)  
I know you still living your life, after death

[Chorus: Faith Evans]

Every step I take, every move I make  
Every single day, every time I pray  
I'll be missing you  
Thinkin of the day, when you went away  
What a life to take, what a bond to break  
I'll be missing you

[Puff] I miss you Big

[Verse Two: Puff Daddy]

It's kinda hard with you not around (yeah)  
Know you in heaven smilin down (eheh)  
Watchin us while we pray for you  
Every day we pray for you  
Til the day we meet again  
In my heart is where I'll keep you friend  
Memories give me the strength I need (uh-huh) to proceed

Strength I need to believe  
My thoughts Big I just can't define (can't define)  
Wish I could turn back the hands of time  
Us in the 6, shop for new clothes and kicks  
You and me taking flicks  
Makin hits, stages they receive you on  
I still can't believe you're gone (can't believe you're gone)  
Give anything to hear half your breath (half your breath)  
I know you still living you're life, after death

[Chorus]

[Faith Evans] Somebody tell me why

[Interlude: Faith Evans]

On that morning  
When this life is over  
I know  
I'll see your face

[Outro: 112]

Every night I pray, every step I take  
Every move I make, every single day  
Every night I pray, every step I take  
[Puff] Every day that passes  
Every move I make, every single day  
[Puff] Is a day that I get closer  
[Puff] To seeing you again  
Every night I pray, every step I take  
[Puff] We miss you Big... and we won't stop  
Every move I make, every single day  
[Puff] Cause we can't stop... that's right  
Every night I pray, every step I take  
Every move I make, every single day  
[Puff] We miss you Big  
[music fades out]
