

# Puff Daddy, I Need A Girl Part 2

[Ginuwine] Ooooh oooooo oooooh!!!

[P. Diddy] Yeah, this that bounce right here

[Ginuwine] Come On Now!!!

[P. Diddy] Time to move on, time to be strong

Don't stop now straight to the top now

[Ginuwine & Mario Winans]

Someone who truly understands, how to treat a man

This is what I need

[Verse 1: P. Diddy]

Girl you made me believe again

If you happy then be with him, go 'head mommy breathe again

Go 'head mommy breathe again, don't stop now straight to the top now

Go 'head mommy make it hot now

I need me a love that's 'gon make my heart stop now

And what I need is simple, five foot five with dimples

Potential wife credentials

Know about the life I'm into, life I've been through

And how I had a trifilin mental

So ride with me, G Force fly with me

Times get hard cry with me, die with me

White beach sands lye with me

My advice is forget the limelight

Let's make love, while we listen to Frank White

So tight, now I understand life

[Chorus: Ginuwine, Mario Winans & P. Diddy]

What I need

([P. Diddy:] Yeah take that)

Is a pretty woman next to me

([Ginuwine:] A pretty woman yeah baby)

To share the dreams that I Believe

([P. Diddy:] Dream with me, believe in me)

Maybe we could start a family

([Ginuwine:] Start a family baby)

Someone who truly understands, how to treat a man

This is what I need

[Verse 2: Loon]

Listen to me now what should I say now? Come on ma

Been a whole day now I wanna lay 'round

And sip coladas, dipped in Prada

I'm smooth as Erik Estrada, dipped in dollars

We out in Vegas Nevada, bubble bath in the champagne glass

'Bout the size of a campaign ad

You don't know how you look to me

But if love was a crime you be a crook to me

Cause mommy I've done been around the world, seened alot of places

Been around your girl believe I read faces

I can tell she don't want me prevail

But I, learn my lesson watchin Sean bless it

So why listen to her and start guessin'?

Mommy you ain't ready to ride to start dressin

I need a girl receive my mom's blessin

Confession, my love no contestin

I need affection

[P. Diddy] Yes I need affection, let's go Mario!

[Mario Winans]

Girl what the hell is on your mind

I could be dumb but I'm not blind

There's somethin leakin in your mind

Don't look to good for you and me, always did agree

That ain't what I need, baby!!!

[Ginuwine & Mario Winans]

What I need, is a pretty woman next to me

[Verse 3: P. Diddy]  
Ay yo the sun don't shine forever  
But as long as were here then we might as well shine together  
Never mind the weather, go somewhere and get our minds together  
Build a love that a last forever  
So let's stop the pain, stop the rain  
Put, stress to rest girl stop the games  
Name the spot, mommy I got the plane  
Roll through rough, I got the range  
Ma I got some thangs, knownd to put rocks in rings  
Push a hundred foot yachts and thangs  
Your man don't play, have you ever bee to Sandro Pe?  
Or seened a brotha play Amando Lay?  
Girl I wanna just, look in your eyes and watch the sunrise  
No more lies, no more tears to cry  
No more reasons for leavin, do I believe in?  
Love you till the day I stop breathin, I love you girl  
[Chorus: Ginuwine & Mario Winans]  
What I need, is a pretty woman next to me  
([Ginuwine:] Standin next to me girl)  
To share the dreams that I Believe  
([Ginuwine:] When I wake up in the morning)  
Maybe we could start a family  
([Ginuwine:] I wanna see your pretty face, yeah)
