

Puff Daddy, It's About That Money

[Puffy]

Yo Short man

I was with this chick last night

She was like, hey Diddy, ummm Diddy

Why you so motherfuckin' fly

I had to tell her bitch I'm just about that paper beotch

[Female Singer] (Puffy)

It's about that paper

(Make it hot)

If it's about that bullshit

(Make it stop)

If you got that paper we can roll

No time for hataz , gotta go

[Too Short]

I flew to L.A. just last week

Jumped in the limo, checked in the suite

Made a few calls, it's time to go

Bust a few rhymes at the studio

You know I don't do it for the love of it

I love it but I do it for the love I get

Big checks, you think the sex is next

When I left the studio

I had to go do a show for the ten with the triple zeros

That's why I never flipped with kilos

Flew up to the bay, then back to Georgia

Had to catch a flight to Tallahassee, Florida

I did a show at the Kapa luau

Short dog what'cha about to do now?

I'm getting money, caught a flight to New York

Just another day in the life of Too Short

1 - [Female Singer] (Puffy)

It's about that paper

(Make it hot)

If it's about that bullshit

(Make it stop)

If you got that paper we can roll

No time for hataz , gotta go

It's about that money

(Make it hot)

Got to keep it coming

(Make it stop)

Niggaz hate us all day long

(We can roll)

Cause we get our paper all night long

(Gotta go)

[Puffy]

Everything I do is a world premiere

I know you're not trying to front girl come here

I get up early in the morning work late at night

So when you talk about me you say it right

I get my pimp on whenever I get on

Pop, Rock, Rap, R&B it's a hit song

I keep it moving no matter what your age

Bitches screaming out "Puff Daddy's on stage"

Breaking necks, cashing checks

When I'm not making money I'm having sex

International, superstar

People wanna know just who you are

I'm that laid jet rider

Mansion residing

If I throw a party you'll be dancing all night and

Let's have some fun girl, it's ok

I work hard now it's time to play

Come on

Repeat 1
[Too Short]
I did a lot of work for the homies for the low-low
But I doing that kind of shit no more
Ask Puff, fuck all that retirement stuff
I work to hard so the price went up
I'm charging fifty for sixteen bars now
If you want a whole song it's a hundred thou
Is it worth it? I ain't no crook
A hundred thousand dollars might get you a hook
From this nigga right here, I know you know
And you gotta pay extra for the video
So cut the check for the right amount
If not, you can wire it to my account
The only other way is to pay me cash
And ain't nothing wrong with that
In fact give me the scratch in big stacks
Cause you're fucking with a real mack bitch get back
Back, bitch get back, back
Said bitch, said bitch said get your motherfuckin' ass back
That's right
Repeat 1
