

Puff Daddy, Missing You

Yeah, this right here goes out to everyone who's lost someone that they truly loved....

Check it out....

Seems like yesterday we used to rock the show

I laced the track, you locked the flow

So far from hangin' on the block for dough

Notorius they got to know that

Life ain't always what it seem to be

Words can't express what you mean to me!

Even though you're gone we still a team

Thru your family I'll fulfill your dreams

In the future can't wait to see if you'll

Open up the gates for me

Reminisce sometime the night they took my friend

Try to black it out, but it plays again

When it's real feelings hard to conceal

Can't imagine all the pain I feel

Give anything to hear half your breath

I know you still livin' your life after death

CHORUS:

Every step I take

Every move I make

Every single day

Everytime I pray

I'll be missing you

Thinking of the day

When you went away

What a life to take

What a bond to break

I'll be missing you

(We miss you, Big....)

It's kinda hard wit you not around

Know you in Heaven smilin' down

Watching us while we pray for you

Everyday we pray for you

Till the day we meet again

In my heart is where I keep you friend

Memories give me the strength I need to proceed

Strength I need to believe

My thoughts, Big, I just can't define

Wish I could turn back the hands of time

Us and the six shop for new clothes and kicks

You and me takin' flics

Makin' hits, stages they receive you on

Still can't believe you're gone

Give anything to hear half your breath

I know you still livin' your life after death

CHORUS

Somebody tell me why...

One black morning

When this life is over

I know, I'll see your face

Every night I pray

Every step I take

Every move I make

Every single day

Every night I pray

Every step I take

Every move I make

Every single day

Every night I pray

Every step I take

Every move I make

Every single day

Every night I pray
Every step I take
Every move I make
Every single day
Chorus
Every night I pray
Every step I take
Every move I make
Every single day
Chorus
Every night I pray
Every step I take
Every move I make
Every single day
(We miss you)
